Subject: 1500 Bronson Parking / Manifestation vehicle parking

Good Morning,

It has been decided that parking be made available for the protestors at 1500 Bronson since Friday. I am sending this to you as a FYI and your consideration.

Security is to not let anyone in the security hut or passed security gate that is not building support or project related. No washrooms will be provided for the protestors. No one is to engage with the protestors. The only presence in the parking will be for snow removal and grounds maintenance as per needed basis.

We ask that security provide a daily report at 9:00am everyday of the parking situation at 1500 Bronson to myself at martin.carbonneau@tpsgc-pwgsc.gc.ca or on my cell at **Personal Info.**

All contractors, base building support and staff for 1500 Bronson need to park inside the fenced in property passed the security hut. City of Ottawa police will patrol the parking site that is being used by the protestors.

ESAP and UBCP please identify of this factor with for project delivery risk and consideration at 1500 Bronson.

Indigo parking management has been informed to not monitor the site until further notice.

If anyone has questions, please feel free to call me.

Thank you
